PROFILE

Experienced in developing web applications, managing data, and building websites, with a focus on delivering reliable solutions and creating user-friendly experiences. I work well in teams to achieve both technical and business goals, and I'm always eager to learn and adapt to new technologies, especially in the data field.

WORK EXPERIENCE

■ **11/2023 - 01/2025**

DigIT Business, Prishtinë

Frontend Developer

- Contributed to SPIM, a customizable web application with modules for different industries.
- Developed new features, ran tests, and deployed updates based on client needs.
- Built multiple websites using Vue.js and Shopify, optimizing SEO for better visibility.

■ **08/2023 - 11/2023**

DigIT Business, Prishtinë

Frontend Developer (Internship)

- Independently created client webpages based on provided designs.
- Worked on web applications to align with both client requirements and design specifications.

■ **08/2022 - 11/2022**

National Qualification Authority, Prishtinë

IT Assistant (Internship)

- Collected, validated, and registered data into systems and Excel, ensuring accuracy and consistency.
